New versions of the Software. 6. Term and Termination

Term. The term of this Agreement will begin on its acceptance and will continue for an unlimited duration unless and until earlier terminated as set forth herein.

This Agreement will terminate automatically if Licensee fails to comply with any of the provisions or other requirements described herein. Upon any termination or expiration of this Agreement, Licensee

7. Disclaimer of Warranties and Limitation of Liability

The Software and Documentation are licensed "AS IS" and with all faults, and Licensor disclaims any and all other warranties, whether express or implied, including, without limitation, any implied warranties of merchantability or fitness for a particular purpose, to the extent authorized by law. Unless otherwise explicitly agreed to in writing by Licensor, Licensor makes no other warranties, express or implied, in fact or in law, including, but not limited to, any implied warranties of merchantability or fitness for a particular purpose other than as set forth in this agreement.

Licensor makes no warranty that the Software will meet Licensee's requirements or operate under Licensee's specific conditions of use. Licensor makes no warranty that operation of the Software will be secure, error free, or free from interruption.

Licensee bears sole responsibility and all liability for any loss incurred due to failure of the Software to meet Licensee's requirements. Licensor will not, under any circumstances, be responsible or liable for the loss of data on any computer or information storage device.

Under no circumstances shall Licensor, its directors, officers, employees or agents be liable to Licensee or any other party for indirect, consequential, special, incidental, punitive, or exemplary damages of any kind (including lost revenues or profits or loss of business) resulting from this agreement, or from the furnishing, performance, installation, or use of the Software, whether due to a breach of contract, breach of warranty, or the negligence of Licensor or any other party, even if Licensor is advised beforehand of the possibility of such damages.

To the extent that the applicable jurisdiction limits Licensor's ability to disclaim any implied warranties, this disclaimer shall be effective to the maximum extent permitted.

Limitation of Remedies and Damages. Licensee's remedy for a breach of this Agreement or of any warranty included in this Agreement or implied in law is the correction or replacement of the Software. Selection of whether to correct or replace shall be solely at the discretion of Licensor. Licensor reserves the right to substitute a functionally equivalent copy of the Software as a replacement. If Licensor is unable to provide a replacement or substitute Software or corrections to the Software, Licensee's sole alternate remedy shall be a refund of the purchase price for the Software exclusive of any costs for shipping and handling.

Any claim must be made within the applicable warranty period if any such warranty and warranty period exists. All warranties cover only defects arising under normal use and do not include malfunctions or failure resulting from misuse, abuse, neglect, alteration, problems with electrical power, acts of nature, unusual temperatures or humidity, improper installation, or damage determined by Licensor to have been caused by Licensee. All limited warranties on the Software, if any, are granted only to Licensee and are non-transferable. Licensee agrees to indemnify and hold Licensor harmless from all claims, judgments, liabilities, expenses, or costs arising from Licensee's breach of this Agreement and/or acts or omissions.

8. General Provisions

Entire Agreement. This Agreement contains the entire agreement and understanding between the parties with regard to the subject matter hereof, and supersedes all prior and contemporaneous oral or written agreements and representations.

Amendment. Licensee may not amend or modify this Agreement without the Licensor's express prior written consent.

Injunctive Relief. Licensee acknowledges and agrees that, notwithstanding any other provisions of this Agreement, Licensee's breach or threatened breach of this Agreement shall cause Licensor irreparable damage for which recovery of money damages would be inadequate and that Licensor, therefore, may obtain timely injunctive relief to protect its rights under this Agreement in addition to any and all other remedies available at law or in equity.

Severability. If any provision of this Agreement is held by a court of competent jurisdiction to be invalid,

illegal, or unenforceable, the remainder of this Agreement will remain in full force and effect.

Governing Law. This Agreement will be governed by the laws of the Hungary, without reference to conflict of laws principles. This agreement will not be governed by the United Nations Convention of Contracts for the International Sale of Goods, the application of which is expressly excluded.

Licensee's Cooperation. Licensee agrees to communicate the terms and restrictions contained in this Agreement to all persons under his or her employment, direction, or control who have access to the Software or accompanying Documentation.
